Re: 2018080001 – Winnebago County
Winnebago Landfill
Well Replacement

Dear Agency Representative:

Well G50S, which monitors the Northern Unit of Winnebago Landfill was damaged. This letter provides notification, in accordance with Condition VIII.6 of Permit No. 1991-138-LF Modification 53, that well G50S will be replaced by well R50S. The replacement well will be located within 10 feet of the original and constructed as advised by Illinois EPA representative Brett Bersche via telephone conference on February 28, 2012.

Please contact Tom Hilbert at (815) 963-7516 with any questions regarding this notification or if additional information is required.

Sincerely,

A handwritten signature in black ink that reads "Teresa N. Sharp".

**ILLINOIS ENVIRONMENTAL PROTECTION AGENCY
SOLID WASTE REPORTING FORM**

This form must be used as a cover for the following list of notices and reports required by the Illinois EPA's Bureau of Land, Permit Section. All reports must be submitted to the Illinois EPA's Bureau of Land Permit Section. This form must be used for Solid Waste facilities only. Reporting for Hazardous Waste facilities should be submitted on a separate Hazardous Waste Reporting Form. All reports submitted to the Illinois EPA's Bureau of Land Permit Section must contain an original, plus a minimum of two copies.

Note: This form may NOT be used for any request to modify the permit, sampling or operating procedures. Modification requests must be submitted separately in the form of a permit application.

This form is not to be used with permit applications. Your permit will state whether the document you are submitting is required as a report or an application.

Facility Name: Winnebago Landfill - Northern and Southern Units Site ID#: 2018080001
